STORAGE AND DISPOSAL

Store product in the closed, original container in a cool, well ventilated area. Do not store for prolonged periods in direct sunlight. Triple or preferably pressure rinse containers before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on site. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush or puncture and bury empty containers in a local authority landfill. If no landfill is available, bury the container below 500 mm in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers and product should not be burnt.

SAFETY DIRECTIONS

Harmful if swallowed. Will irritate the eyes and skin. Repeated exposure may cause allergic disorder. Avoid inhaling spray mist. Avoid contact with eyes and skin. When opening the container, preparing spray wear and using the product wear cotton overalls buttoned to the neck and wrist (or equivalent clothing), a washable hat, elbow-length butyl rubber gloves and face shield of goggles. If product in eyes washes it out immediately with water. After use and before eating, drinking or smoking, wash hands, arms and face thoroughly with soap and water. After each day's use, wash gloves, face shield or goggles and contaminated clothing.

Combustible liquid.

Keep away from flames and hot surfaces. - No smoking. In case of fire, use carbon dioxide, dry chemical, foam. Alcohol resistant foam is the preferred firefighting medium but, if it is not available, normal foam can be used.

May be fatal if swallowed and enters airways.

May cause respiratory irritation.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.

May damage fertility or the unborn child.

Do not handle until all safety precautions have been read and understood.

If exposed or concerned: Get medical advice.

If skin irritation or rash occurs: Get medical advice/attention.

FIRST AID

If poisoning occurs contact a doctor or Poisons Information Centre. Phone Australia 131 126. If swallowed, do NOT induce vomiting. Give a glass of water. If in eyes, hold eyes open and flood with water for at least 15 minutes and see a doctor.

Material Safety Data Sheet

Additional information is listed in the material safety data sheet (MSDS) available from eChem (Australia) Pty Ltd
